<b>REGULATIONS</b>	<b>1825.1.1</b>
(No. 20 January 1999)	

In order to comply with Government Code Section 1031(f) and POST Commission Standards, **all** prospective POST Basic Academy candidates shall undergo health/psychological testing and evaluation.

The basic POST medical examination and review procedure is intended to ensure the safety of **all** potential academy participants. Medical examinations for entry into the POST Basic course must be completed within the six months preceding the first day of the scheduled course work. All physical examinations will be conducted after the psychological testing has been completed.
